

DEBADYUTI SIL

Salesforce Architect | Senior Salesforce Engineer | Executive Career Bio 2026

San Francisco Bay Area, CA | +1 (415) 254-6300 | debadyuti.sil@gmail.com | linkedin.com/in/debadyutisil | Open to Relocate

EXECUTIVE SUMMARY

Senior Salesforce Architect with 14 years of progressive experience designing, building, and scaling enterprise CRM solutions for global technology companies including Everpure (formerly Pure Storage), Workday, AWS, DocuSign, Amazon, and Twitter. Recognized for combining deep technical knowledge with a practical, scalable, solution-oriented mindset.

Most recently contributed to critical initiatives at Everpure including rebuilding the Partner Portal from 280 pages to 60 for 27,000+ users, architecting a role-based access control framework, driving sales stage revamp, order automation, partner incentives, partner experience enhancements, and building the business case for Agentforce adoption. 12x Salesforce certified including System Architect, Application Architect, and Agentforce Specialist.

KEY HIGHLIGHTS

- 14 years of hands-on Salesforce architecture and engineering across product and consulting environments.
- 27,000+ users onboarded to the Pure Storage Partner Portal on Experience Cloud after a redesign from 280 pages to 60.
- 12 certifications including System Architect, Application Architect, Platform Developer II, and Agentforce Specialist.
- Experience across Sales Cloud, Service Cloud, Experience Cloud, Force.com, CPQ, and the Data Cloud ecosystem.
- Active focus on Agentforce, Einstein AI, and Augment Code to accelerate delivery and enterprise adoption.
